HOME WARRANTY AGREEMENT

This Home Warranty Agreement, hereinafter referred to as the "Agreement", is issued by the entity listed for your state on the Coverage Summary page. Such entity is hereinafter referred to as the "Issuing Company", or "we", "us", and/or "our". The owner of the home covered by this Agreement is hereinafter referred to as "you" and/or "your". This is a Home Service Agreement, not an insurance policy.

This Agreement is intended to provide protection against the cost of repairing certain types of mechanical failures of specific items in your home. **Please read the Agreement carefully. Coverage includes only certain mechanical failures of the specific items listed as covered on your Agreement Coverage Summary and excludes all other failures and/or items. The Agreement Coverage Summary is attached to and made a part of this Agreement.** Coverage is subject to the limitations and conditions specified in this Agreement.

This Agreement has provisions for the use of final and binding arbitration to resolve disputes and otherwise limits the remedies available to you. Please see DISPUTE RESOLUTION section for more information about arbitration.

I. BASIS FOR COVERAGE

We agree to pay the covered costs to repair or replace the items listed as covered on your Agreement Coverage Summary if any such items become inoperable during the term of this Agreement due to mechanical failure caused by routine wear and tear, subject to the terms and conditions of this Agreement. Determination of coverage for any claim will be made solely by us, considering but not limited to, our independent contractor's diagnosis. We reserve the right, at our option, to replace items rather than repair them. The definitions of the specific items that may be listed on your Agreement Coverage Summary as covered, as well as other limitations on coverage and other terms and conditions, are listed below.

This Agreement covers only mechanical failures relating to the mechanical parts and components of those domestic-grade items that were in the home and in proper operating condition on the Agreement effective date. "Mechanical failure" occurs when a covered item becomes inoperable and unable to perform its designed function, subject to the limitations and conditions set forth herein. Mechanical failure due to an unknown pre-existing condition is not covered in the Seller Home Warranty. We will cover an unknown pre-existing mechanical failure provided the failure could not have been detected by visual inspection or simple mechanical test in the Buyer Conversion, Buyer Direct, Open Direct or New Home Warranty on the agreement effective date. A visual inspection of the covered item is considered to mean the viewing of an item to verify that it appears structurally intact and without damage or missing parts that would indicate inoperability. A simple mechanical test means the ability to turn the unit off and on verifying the item operates without irregular sounds or smoke that may indicate a problem. In certain instances, we may require documentation from you during a claim review.

Mechanical failure due to rust and corrosion is not covered in the Seller Home Warranty, mechanical failure due to rust and corrosion in the Buyer Conversion, Buyer Direct, Open Direct or New Home Warranty is covered after the agreement effective date. "Domestic-grade" items are those that were designated by the manufacturer, manufactured and marketed solely for installation and use in a residential single family dwelling. The covered item will be deemed to have been in "proper operating condition" on the Agreement effective date if it was correctly located within the home, was properly installed to code at the time of installation, was fully connected, was capable of successfully performing all operations commensurate with the manufacturer's original design intention, and did not pose any hazard to life or property. Determination of the operating condition as of Agreement effective date, and the nature of any failure, will be made by us based upon the professional opinion of our direct employees, considering but not limited to, our independent contractor's diagnosis.

II. DEFINITION OF ITEMS

This Agreement provides coverage only for those items specifically listed as being covered on your Agreement Coverage Summary. Please refer to your Agreement Coverage Summary. **An additional fee may be required for certain systems, appliances or optional coverage's. Coverage of some items may not be available under all plans or in every state.**

This Agreement defines precisely what mechanical systems and appliances, and which of their parts and components, are covered; only those items specifically so described are covered, subject to the limitations and conditions herein. The items listed in this section as "Examples of Items/Conditions Not Covered" are not meant to be all-inclusive and are provided for illustration. They do not limit our right to decline coverage for items not on the lists and should not in any way be deemed an expansion of items specified as Covered.

Depending on the package selected, we will provide up to either \$500 or \$1,000 towards **non-covered charges when repairing or replacing a covered item. III. SERVICE

1. When repair or replacement services covered by this Agreement are required, call us at (800) 432-1033 or submit a claim through my.cinchhomeservices.com. If you fail to notify us of any mechanical failure prior to the expiration of the term of the Agreement during which the failure occurred, we will not be responsible for the cost of any repairs and/or replacements resulting from the mechanical failure.

2. We will provide you with a referral to an independent contractor. We will use reasonable efforts to provide a referral to an independent service contractor within two (2) hours after the service request is received during normal business hours and within twenty-four (24) hours for requests received after normal business hours and on weekends or holidays. In the event we determine, at our sole discretion, that there is an emergency situation requiring expedited service, we will make reasonable efforts to expedite service. We will determine, at our sole discretion, which repairs constitute an emergency and will give consideration to covered mechanical failures that affect the habitability of the dwelling.

This is an abbreviated version of Terms and Conditions

3. We have sole authority to select independent contractors. All repair and/or replacement work covered by this Agreement must be performed by an independent contractor and approved by us in advance. **We are not responsible for expenses you incur without our express consent.** We will not reimburse you for any costs associated with unauthorized repairs or work performed by unauthorized contractors.

4. **This Agreement may include a deductible charge, as listed on your Agreement Coverage Summary. If a deductible is required, you must pay per trade on each service call made towards the covered portion of any claim.** When a covered claim requires more than one trade to complete the covered repair/replacement only one deductible charge will be required. Trades include appliance, air conditioning, heating, electrical, plumbing, and any other trade specifically required to service items listed on your Agreement Coverage Summary. A service call includes, without limitation, the action of inspecting, diagnosing, and/or performing service for the repair or replacement of a malfunctioning item.

5. You agree to provide access to the covered property during normal business hours for the independent contractor to diagnose, obtain approval for, and/or complete repairs for covered mechanical failures. You agree to pay us and/or our independent contractor any service charge and additional charges assessed by our independent contractor resulting from your failure to provide access and/or for missed appointments.

6. Should any building or zoning permits be necessary, you are responsible for paying for and/or obtaining these permits and the cost associated with these permits. Any testing required by state or local municipalities such as but not limited to load calculations; duct certification are not covered under this agreement.

7. At our discretion, we may elect to replace a covered item rather than repair it. **The decision to replace rather than repair items is solely our option.** Should we choose to replace an item, the replacement will be the base model that meets all applicable federally mandated minimal manufacturers' standards, performs the same primary function, and has a capacity comparable with the covered item, when available with domestically assembled units. We will make reasonable efforts to provide replacement items of similar mechanical capabilities and/or efficiency of the original unit, when available. We are not liable to provide exact match in color, dye, lot, material, type or brand, including but not limited to professional series or ultra-premium appliances, such as Bosch, Dacor, Fisher & Paykel, GE Monogram Series, Jenn-Air, Miele, Sub-Zero, Thermador or Viking (individual trademarks are owned by the brand name company). When replacing systems or appliances, we will be responsible for the installation of the replacement item but not for the cost of the construction, modifications, carpentry or transitional work made necessary in order to accommodate the replacement, nor for any costs to upgrade or modify items for any reason. Should we determine to replace an item and you instead choose to elect a repair that item is excluded from further coverage under this Agreement and subsequent renewals.

8. At our discretion, we may give you the option to elect to receive a repair/replacement credit or cash payment (net of deductible) in lieu of providing a repair/replacement. In such cases, the amount of such credit shall be equal to the lesser of our approved cost of repair/replacement or your actual and/or estimated cost of repair/replacement. If you elect a credit to our independent contractor, we will pay that amount directly to the independent contractor after the work has been completed. If you elect the cash payment, you must supply documentation supporting that the item in question has been purchased, replaced or repaired prior to receiving the cash payment. Any replacement item must be installed in the covered property as listed on the Agreement Summary Page. **The amount of the approved cost of repair or replacement will be established by us at our sole discretion.** We reserve the right to inspect repaired and/or replacement items.

9. We reserve the right to obtain, at our expense, a second opinion by an independent contractor prior to determining eligibility for coverage.

The right to void this Agreement as provided in this paragraph is not transferable. A ten percent penalty per month will be added to any refund required under this paragraph, including any accrued penalties, that is not paid or credited within 30 (thirty) days after termination of this Agreement pursuant to this paragraph.

2. You may cancel this Agreement within 30 (thirty) days of the coverage effective date if a claim has been made, or at any time thereafter, at which time you may be entitled to a refund of unearned contract fees paid based on the short rate schedule less a processing fee of twenty-five dollars (\$25) and less the cost of any services performed pursuant to the Agreement, where permitted by law. If the refund calculation results in you owing us payment for services provided, we may bill you for the lesser of the net amount due to us or the unpaid annual term contract fee. We will bill or charge you any balance owed to us through the same mechanism as any previous installment billings, or we will direct bill you if such a mechanism is not available.

3. In the event a real estate listing agreement is cancelled while your home is covered by a Seller Home Warranty and a claim has been paid, you agree to pay to us the lesser of: (1) any claims paid under the Seller's coverage, or (2) the applicable Buyer Conversion Warranty price. In the event a home which was covered under the Seller Home Warranty during the listing period is sold, regardless of whether a claim is paid under the contract, the seller will be liable to us for the applicable Buyer Conversion Warranty price.

4. We may terminate this Agreement immediately, after any applicable notice provisions, for non-payment, fraud or material misrepresentation. If we terminate for fraud or material misrepresentation, this Agreement is void and we shall refund all paid contract fees if no claims have been made. If a claim has been made, we will follow normal cancellation procedures as outlined in this section.

Arbitration shall be conducted within the geographical limits of the applicable federal district court where the Covered Property is located, or such other location upon which both parties mutually agree. The Commercial Arbitration Rules and Supplementary Procedures for Consumer-Related Disputes of the American Arbitration Association (the "Arbitration Rules") in effect at the time arbitration is demanded by either party shall govern the arbitration proceeding and the selection of one neutral arbitrator to preside over the proceeding. The arbitrator is empowered to decide all Disputes and all questions related to the enforceability and scope of these Dispute Resolution provisions, including but not limited to the validity, interpretation and applicability of these Dispute Resolution Provisions. Additionally, this transaction involves interstate commerce, and these Dispute Resolution provisions shall be governed by the Federal Arbitration Act, as amended (9 USC 1). No arbitration may proceed on a class or representative basis, and the arbitrator may not consolidate any arbitration proceeding governed by these Dispute Resolution Provisions with any other person's arbitration proceeding, and may not otherwise preside over any form of a representative or class proceeding. Under the Arbitration Rules, although each party is required to pay certain administrative and arbitrator fees, the amount the consumer may be required to pay is limited. Each party to arbitration is responsible for its own attorney's fees, if the party chooses to be represented by an attorney.

2. **CLASS ACTION AND JURY TRIAL WAIVER:** Each party to this Agreement may bring a Dispute against the other only in its individual capacity and not as a plaintiff or class member in any purported class or representative proceeding. 6. **Disclosure.** The price of the Agreement includes the full amount of all fees due and payable as well as the costs of processing and administration for the Issuing Company and its agents where allowable by law. Any applicable state or local sales taxes are in addition to the price of the Agreement.
